

All New Rotunda Tool & Equipment Website Now Available on PTS!

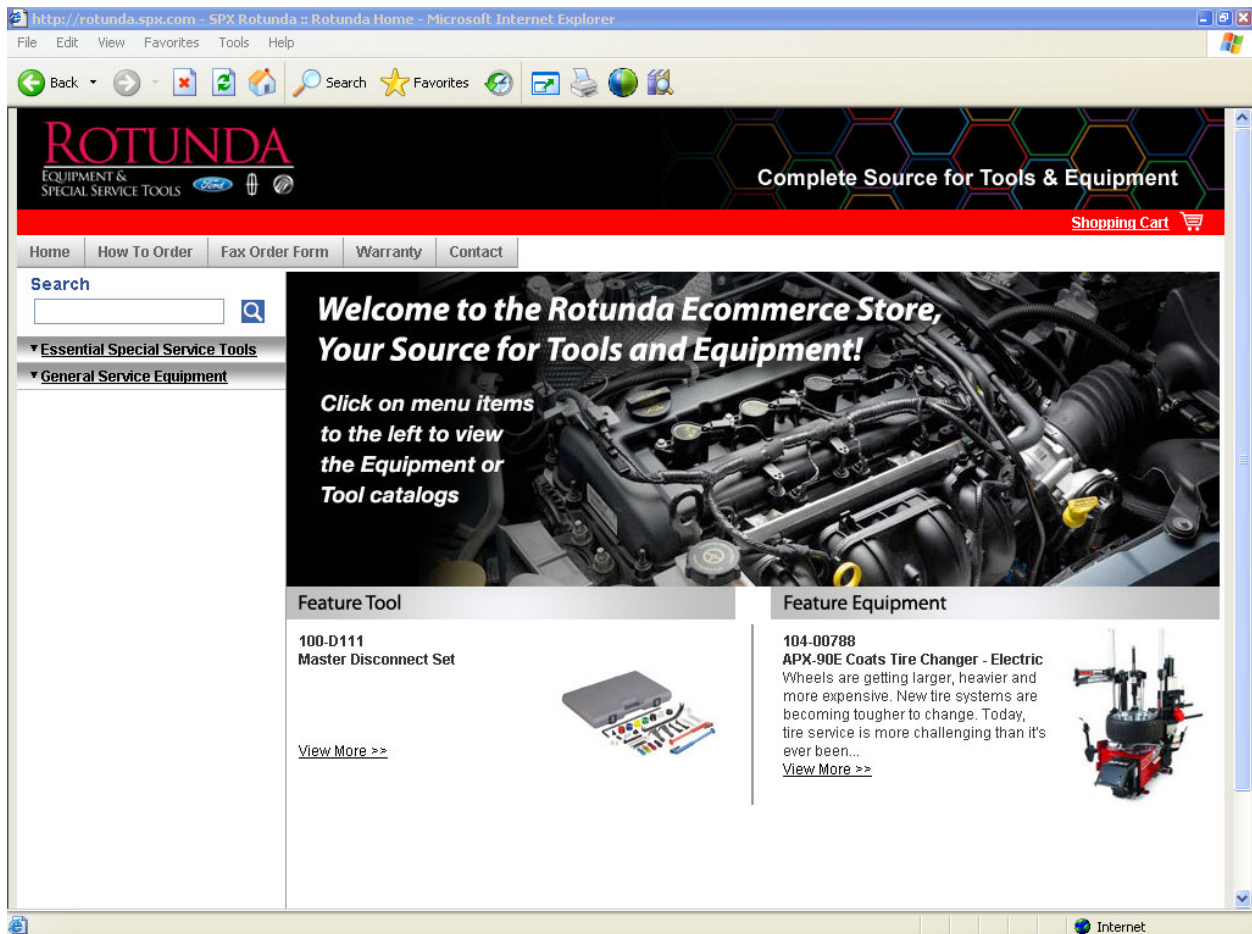

The Rotunda Tools & Equipment website has recently be improved and enhanced to make purchasing General Service Equipment or Essential Special Service Tools even easier. Dealers now have the ability to order either type of products (GSE or ESST) from one site, making the overall shopping experience easier and more convenient.

As always, you can count on Rotunda for all your service tool and equipment needs!

- ✓ **Experience** – Trusted source for Ford and Lincoln Mercury dealers for over 45 years.
- ✓ **Ford Engineering Approved** – All equipment is approved by Ford Motor Company engineering activities.
- ✓ **Hands-On Product Testing** – All equipment has been tested for functionality, repeatability and accuracy.
- ✓ **Premier Suppliers** – Only the top suppliers in the industry are represented in the Rotunda Program.
- ✓ **Ease of Buying** – Purchases can be billed right to your P&A account.

Check out the all new Rotunda website today! From the PTS Homepage, select the Rotunda tab, then either 'GSE' or 'ESST' from the main menu and start shopping!

New Rotunda Homepage

The screenshot shows the Rotunda Ecommerce Store homepage. The browser window title is "http://rotunda.spx.com - SPX Rotunda :: Rotunda Home - Microsoft Internet Explorer". The page features the Rotunda logo and tagline "EQUIPMENT & SPECIAL SERVICE TOOLS" with the Ford, Lincoln, and Mercury logos. A navigation menu includes "Home", "How To Order", "Fax Order Form", "Warranty", and "Contact". A search bar is located on the left. The main content area has a large image of an engine with the text "Welcome to the Rotunda Ecommerce Store, Your Source for Tools and Equipment!". Below this, there are two featured items: "100-D111 Master Disconnect Set" and "104-00788 APX-90E Coats Tire Changer - Electric". The page also includes a "Shopping Cart" icon in the top right corner.
